

COLLEGE CONNECTIONS

2018-2019 REGISTRATION FORM

The College Connections program at Prince of Peace aims to keep college students in touch with their POP church family while they are away at school through care packages, cards, and emails.

To register for the College Connections program, please complete this form. Students new to this program should attach a **wallet-size photo**. Former CC students who are re-enrolling, we have your picture and will reuse it unless you would like to provide a new one. ALL STUDENTS new or former, need to turn in a form with current contact information. Please return it all to the church office by **September 10, 2018**. The picture will be used on a display board so our congregation can identify all our college students.

PLEASE WRITE CLEARLY
