# Ministry Groups at Prince of Peace Lutheran Church

Joining a Ministry Group will allow you to **connect** with other people in our church family, **grow** your faith in God, and **serve** others in our community and world. Think about your interests and talents, and then match your gifts to a Ministry Group that you will enjoy.

All our Ministry Groups are listed on the following pages. Please contact the ministry group leader or the church staff person to find out more information about each group. Contact information can be found in the back of this book and in our Breeze directory. Ask the church office to set up your Breeze account, if needed.

Are we missing a group that would interest you? Help us create it! We welcome your ideas. Please talk with one of our pastors or the church staff – and we can help make your group happen.

We are looking forward to sharing in ministry with you!
