

March 13, 2020

Dear Little Shepherds Parents,

Little Shepherds Learning Center is closed Monday, March 16 through Friday, April 3.

On Thursday, March 12, we heard the next step the state of Ohio is taking to fight the spread of the corona virus.

COLUMBUS, Ohio — On Thursday, Governor Mike DeWine announced that all Ohio K-12 schools will close for an "extended spring break" on Monday, March 16 until April 3.

The statewide order closing schools applies to all public, private and charter schools in Ohio, DeWine said.

Dublin City Schools are closed Monday, March 16 through Friday, April 3. Little Shepherds Learning Center follows Dublin School emergency closing plan. This is basically the week before and after our scheduled spring break week. We will continue to monitor school closing recommendations and pray we are clear to return on Monday, April 6. We have to trust our public health officials that taking these preventive measures will help to keep all of us safe from harm.

We will miss everyone and understand this great hardship. Leaders are saying we have not experienced anything like this, but it is the right thing to do right now.

Stay well, my friends.

Sue Miller, Director
Little Shepherds Learning Center
